

Hello DDS Friends & Newcomers,

Hope you all had a wonderful summer break and a great 1st week back on campus! The start of the semester is always the ideal time to get to know your peers and get you familiarized with what your classes have to offer, as well as clubs. With that being said, this is going to be the 1st of many newsletters to come that you will all be receiving prior to every new week. They should be in your mailbox every Sunday night at the latest and Friday night at the earliest, but after today's letter, the future newsletters will be sent via MailChimp. It will include weekly updates, information sessions, social announcements, DAT related work, etc. Though this may be the first of many, I look forward to relaying you everything related to DDS in the coming months, so enjoy and please let me know if you have any questions!

Without further ado, here are this week's announcements:
