

Hello DDS Friends & Newcomers,

Hope you all had a fulfilling second week of classes and social activities, and additionally, hopefully everyone had a great time at the game this past weekend. With this being said, it was wonderful to finally see you all earlier this week. I truly realized how lucky we are to have numerous new & returning members who are eager to learn, grow, and laugh with other aspiring health professionals. Just remember though, to always use your club members to work off each other's strengths and always stay hungry to succeed together.

Without further ado, here are this week's announcements:
